Respectfully submitted,

and success.

In this year and in this budget, the North Bend URA will give meaning to the words of improvement and achievement. Benjamin Franklin once said, "Without continual growth and progress, such words as improvement, achievement, and success have no meaning." The North Bend Urban Renewal Agency (NBURA) is progressing.

This year will see the implementation of the plan amendment proposed in the proceeding year. The plan will include a small boundary change, the authorization for change in master plan, and project review and project cost updates. NBURA is progressing.

outside of the total project cost line.

The budget, $500,000, is intended to accommodate the City’s own construction manager and contingency position. The amount under professional services is also included in the budget as funds for professional services, personal services, and consulting services. The amount under professional services is $500,000.

The budget also comprises the creation of the Project Improvement Project which has a separate line item as reflected by the NBURA Board. Fund the line item contain the maximum projected amount of $500,000.

The budget also comprehends the creation of the Project Improvement Project which has a separate line item as reflected by the NBURA Board. Fund the line item contains the maximum projected amount of $500,000.

This year will see the Urban Renewal Agency budget support the full completion of the downtown streetscape project started in fiscal year 2012-013 and the comprehensive re-paving of the ODOT 135, which totaled $380,647.

This year will see the Urban Renewal Agency budget support the full completion of the downtown streetscape project started in fiscal year 2012-013 and the comprehensive re-paving of the ODOT 135, which totaled $380,647.

The main cause of the decreases experienced are the capital projects which the funds were designated for and has been and will undertake.

The main cause of the decreases experienced are the capital projects which the funds were designated for and has been and will undertake.

The budget projects the cost of $380,647 in tax revenue in FY 2012-013 and $200,000 in the current year. This is due to the project's impact on the urban renewal area.
